**Why should someone want to coach your club?**

Cardiff University Netball Club requires a coach who will be committed, enthusiastic and push our players to higher standards. The club has 60 members who are eager, enthusiastic and want to improve their netball. Currently, we have 4 teams that play in the BUSA league and one in the local Cardiff and District League.

The teams are currently in the following leagues:

- 1sts Premier South
- 2nds 3A Western Conference
- 3rds 3A Western Conference
- 4ths 4A Western Conference
- 5ths Cardiff and District league

2007 was a successful year for all of the teams. It was an achievement winning the Welsh Cup. We would like to continue this success in 2008.

We would like a coach that can start as soon as possible who is able to attend training regularly and will support the girls in their matches.

If interested and would like to discuss the position further please get in touch
