**Why should someone want to coach your club?**

We are a well-established club with loyal members, we have a range of ages and have recently had many new players join us. We currently have 3 teams. Last season our A team was promoted to the Premier division and our B & C teams are in the 2<sup>nd</sup> division. We are looking for an enthusiastic coach to lead our teams who all train together. We are willing to pay for coach education training if required as well as for weekly training sessions. We have club members willing to support with training/fitness sessions if necessary.
