Why should someone want to coach your club?

Blackwood have three teams in the South East Wales League, one in the Premier division, one in division two and one in three. Next year Blackwood are aiming for the A team to be in the top five of the Premiership and B Team to be in the 1st division (they came third in division two last season).

Blackwood also have an under 17's team who won their league last season and a very large junior club so there would be many opportunities for a coach to gain experience and take further sessions within these sections.
