Payment available? Yes (tbc)

Why should someone want to coach your club?

We have 3 senior teams our A's in the premiership division, we have a large amount of county players in all our senior teams including u14 in our very successful youth team, all our teams are very young, average age in the A's of 21, all the teams are very eager to learn new skills.

The training is all 3 squads at the same time, the club has a great friendly atmosphere, we do lots of fundraising together including club tours, we are a friendly club, with lots to give from u10's to seniors.
