

First Training Match For Wales U15s

13th November 2011

Wales Win 47-32!

Last Sunday the Wales U15s played Team Bath U16s. Wales won 47-32 making a tremendous start to the season.

The game was played at Hayesfield Upper School in Bath. Wales made a terrific start the match, with Eloise Skinner (Captain) and Chloe James setting the standards for the shooters, they barely missed a shot! Esme Bellerby and Demi Brady (Vice Captain) did a cracking job in defense only letting in 4 goals in the first quarter.

In the second quarter Wales were still out on top form making a few changes with myself and Emily Edwards (WD) setting the pace for the game.

In the third quarter Bath became more determined and started to bounce back. However they could not manage to get close enough to equalize the score despite the U15s giving them more opportunities as this was Wales' worst quarter. Despite giving it our best the U15s only scored 4 goals in this quarter.

In the fourth quarter Wales began to get back on form with Lauren Cronkshaw and Eloise Skinner working the ball in the circle.

The fifth and sixth quarter saw our defense do an amazing job only letting 2 goals in during the last quarter undermining Bath, with Caitlyn Evans at GK. Ashley Davies and Harriet Davies scored the last goals sealing the win for Wales.

Bath gave a great performance but however in this game despite their determined performance they unfortunately were no match for the newly formed Wales U15s Team.

Georgia Wood received player of the match.
